# FUNDRAISE WITH HAULSTR

We make mulch delivery simple with online/mobile orders & 1-hour delivery windows. We also partner with community organizations, raising money to support their amazing work.

## What Haulstr Gives:

We donate \$5 for each yard of mulch ordered through our community partners.

## What You Make:

An average Haulstr order is 5 yards—that's \$25 to the organization per order!

# We do the heavy lifting, you earn cash for your inspiring work.

Here's how it works in 2 simple steps:

**1**

## **We give you a link.**

We provide your organization a custom link to promote in your emails and on social media, like newsletters, tweets, and Facebook posts.

**2**

## **You promote the link and collect your earnings!**

That link takes visitors to your organization's branded Haulstr page, that we create, to place an order. Then, collect your fundraising dollars! It's that easy.

## Where do I promote my link?

**Here's how you can promote your link to earn money from mulch orders:**

- Promote in your organization's email newsletter
- Post on your organization's social media channels (Facebook, Twitter, Instagram, LinkedIn)
- Share with your organization's partners. If you're a school connected with a church, ask the church to share in their email newsletter, too!
