SPREAD THE GOOD

Fundraising Program

Fundraise with Haulstr

We provide a digital fundraiser for local nonprofit causes to raise money through our mulch and firewood delivery service. Proceeds from every order get donated back to our partners.

What Haulstr Gives:

We donate \$5 for each yard of mulch or \$10 per rick ordered through our community partners.

Empowering our local community

Our goal is to empower our community by giving back to local nonprofits, partnering with local retailers, and sourcing from local suppliers. So join us in spreading the good!

**We do the heavy lifting,
you earn cash for your
inspiring work.**

2 steps to earn with Haulstr

1 We give you a link.

We provide you a custom link and sample content to share on social media, newsletters, tweets, and Facebook posts.

2 Share and earn!

Your custom link takes people to a web page with your logo and description. When they order, Haulstr pays you!

Where and when should I promote my link?

Here's how you can promote your link to earn money from mulch orders:

- Promote in your email newsletters.
- Post on your social media channels (Facebook, Twitter, Instagram, LinkedIn).
- Share with your partners, i.e. if you're a school connected with a church, ask the church to share in their email newsletter, too!

Easy Win. Thanks for doing this!
